DC 9011 WP – made for extreme conditions

For adventurers, discoverers and globetrotters at sea, on land or in the air. The perfect companion in all extreme conditions, the MINOX DC 9011 defies all influences of water (down to 3 metres depth), salt, dust and sand with its robust and watertight housing. With its extremely compact size, it is light and easy to use, provides excellent 9 megapixel pictures and is always at your fingertips when it matters most. Simply a must-have for every trip and sportive activity, especially recommended for the dedicated water sportsperson.
